

**DARAAD ENGICON PRIVATE LIMITED**

It is not our abilities,  
but our Vision that defines our limits.  
Expanding Vision, Widen our Horizon

## Company Profile

### An Established Company You Can Trust

Daraad Engicon Private Limited has been an established and trusted complete service provider from our base in Ranchi, Jharkhand. DEPL is multi-Dimensional company specialized in the various verticals ranging from Projects, EPC – Electrical, Civil & Structures, Mining, renewable Energy, IT and C& I,. We also deal with the engineering and industrial renovation and modernization to cater the need of our client without compromising on value or service.

Our commitment to delivering exceptional customer value and service has been at the core of our values since the date of establishment. Still operating as a family business, our longevity brings experience and strength which gives our clients complete peace of mind that we will deliver on our promises.

For you this means a personable, reliable and response service from people who understand and care about your needs, regardless of your size. It's this trust to which our long term success in a highly competitive market can be attributed.

### Mission

Our mission is to become an efficient and effective empowered stationery supplier, supplying any office environment and satisfying any furniture solution. We intend on offering our clients the ultimate in satisfactory service, economically viable and competitive prices yet never compromising on our quality. Commitment, loyalty and integrity are few core values that will help us realize our mission and build key relationships with our clients.

## Vision

We intend on becoming one of Jharkhand largest independently empowered stationery and Furniture suppliers through:

- Exceeding customer's expectations by understanding their businesses.
- Providing competitive and cost effective stationery solutions combined with new technology and innovation.
- Providing first class service being customer centric focused.

## Quality

We are passionate about quality. We have invested time, money and effort to become ISO 9001:2015 accredited and under audit at present. But we don't stop there – we set ourselves even higher standards with tangible cost reduction targets and key performance indicators. We are continuously improving and passing the benefits directly onto you.

## Our People

We recognise good people are core to ensuring the continued satisfaction of our customers and in turn the continued success of our business. Many of the highly experienced key members within our team have been with us and this knowledge ensures that are confident when offering our clients cost and efficiency saving alternatives.

We will always invest time to ensure that our staff have the know-how and demonstrate attention to detail in every interaction with you, to ensure one's partnership with us is how one needs it to be: quick, easy and well informed.
